PEAK SCHOOL PTA

The Peak School Parent Teachers Association (PTA) is an important and valued link between home and school and makes a significant social and financial contribution to the school community.

These services and activities are run by the PTA:

- Operating the school uniform shop
- Administering the school bus service
- Supporting the Principal, teachers and students through the investment in educational resources and playground equipment
- Organising social events to foster a vibrant school community

The PTA is incorporated and a Hong Kong registered charity, which is led by the Executive Committee. The PTA relies on income from the services, events, and donations from the community, to fund its initiatives.

All parents at Peak School automatically become PTA parent members and pay the membership fee of HK\$600 at the start of each school year.

The PTA can only be effective through the voluntary efforts of the parents and staff of the Peak School community who donate their time, skills and money for the betterment of all students and the enrichment of the community spirit.

We encourage all parents of Peak School students to contribute to the effort through active participation in school events, volunteering time on an ad-hoc or regular basis, donating to support the PTA initiatives, or becoming a member of the Executive Committee.

Jackie To is our school PTA administrator. To contact her at the school PTA office, email pta@ps.edu.hk or telephone 2849 8376. The opening hours of the PTA in school are 8:00am to 4:00pm.
