

Dear Year 6 Parents,

We would like to invite you to attend our

School Curriculum Open Day on Friday 14th September

This is an opportunity for you to see our school in action and to learn about a student's learning experience. The day will consist of presentations and visits to classrooms to see student learning experiences.

This is an opportunity to meet our new Principal, Mr. Tom Vignoles, MYP Academic Coordinator, Head of Post 14 and Head of Post 16 curriculum leaders and to be able to ask questions about our school curriculum. This will include curriculum structure and progression through the school. Parents will then be able to have a tour of the school and visit classrooms.

- 9.00 – 9.30** Welcome to South Island School Open Day in the 5th Floor Atrium
- 9.30 – 10.00** Classroom Visits (This is an opportunity to visit lessons in different subject areas)
- 10.00 – 10.35** Refreshments in the 5th Floor Atrium and meet our students
- 10.35 – 12.35** More Classroom Visits

It is not expected that you stay for the duration of a lesson, rather that you pop in for a 'taste' of what the lesson is like. A two hour lesson can be very long when not participating. It is also an opportunity to visit other classrooms and subjects so you are able to experience all age groups. As you walk around the building you will be able to view some of our recent renovations and excellent facilities.

We would ask that you refrain from any videoing of lessons as this does contravene student privacy.

As parking on the school site is limited, we ask you to come to school by taxi, MTR or bus. We look forward to meeting you and we trust you will have a worthwhile and memorable visit.

Yours sincerely,

Annette Chapman
Vice Principal
